Zoo Animal Puppets & Puzzles

HappyandBlessedHome.com

Directions: This printable set was created to help animate the stories your child loves with puppets.

There are seven animals including:

Gorilla	Giraffe	Lion	
Elephant	Hyena	Armadillo	Mouse

Activities: Grown-ups can help the child assemble the puppets.

Use yarn, string, pom-poms or other “furry” embellishments for animals’ fur. You can add “google” eyes for the eyes. Use puffy paint, finger-paints, colored sand, or other art supplies to add texture.

You can use the puppets to tell stories or you can use them in song, such as “Old McDonald had a Farm.” They can be used as a teaching tool – tell your child about the sounds each animal makes, where it lives and what food it likes to eat.

These puppet pieces are designed to be used with standard brown bag lunch sacks that measure 10 5/8 x 5 1/8 x 3 1/8 inches.

Have fun creating storytelling puppets with your little-one(s).

Easy to assemble puppet. Just cut into two parts – the head and the body. Paste the face/head onto the bottom of the brown paper sack so that when you move the “mouth” of the sack it looks as though the puppet is talking. Feel free to embellish as desired.
