Books to aide in Preschool Learning

[Christian Liberty Preschool Readers](#), 5 Books - This collection of five readers introduces basic vowel sounds in an enjoyable context. Each book concentrates on a different sound; children will learn to recognize the short vowels a, e, i, o, u.

[Instant Bible Lessons for Preschoolers](#) - Ages 2-5. Keep your preschoolers involved in creative, active learning with Instant Bible Lessons for Preschoolers. Patterned after Rainbow's popular Instant Bible Lessons series for ages 5-10, these reproducible books offer everything you need to teach preschoolers in eight extended sessions. From puzzles to games to crafts to snacks, each themed lesson provides flexibility as you shape the message for your preschool class.

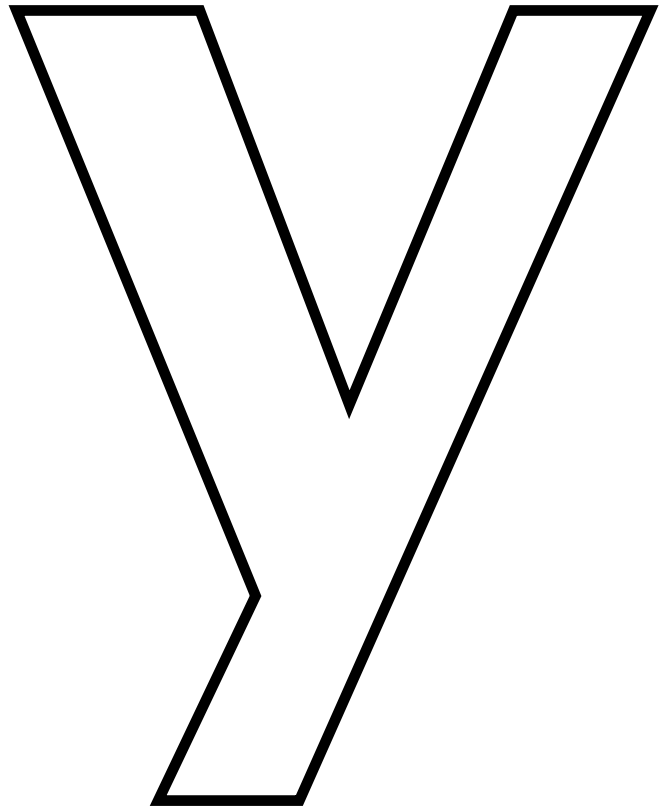

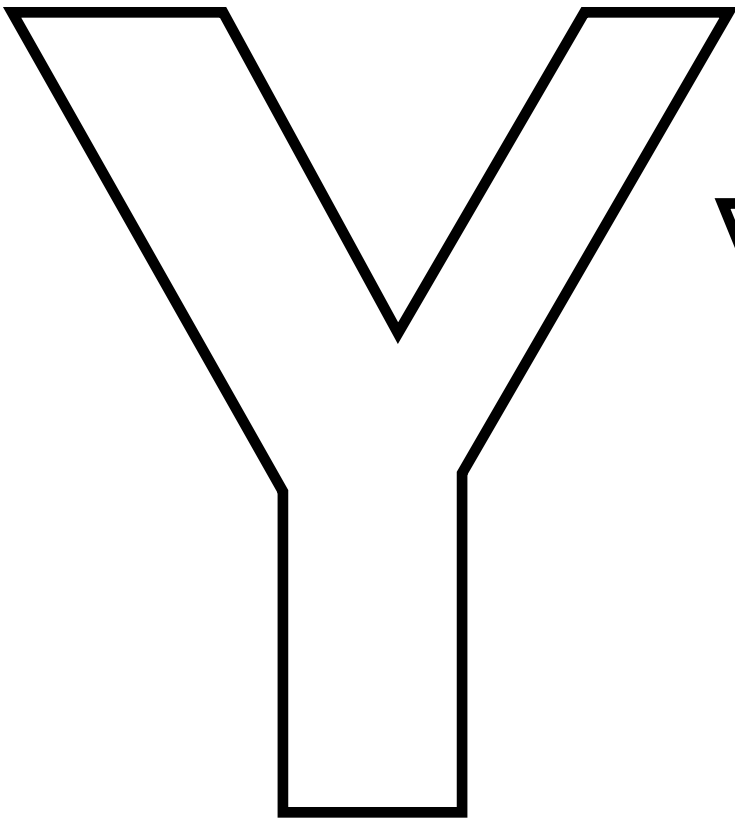

[Just go to Bed](#) - One of the classic Little Critter picture book titles by Mercer Mayer, this simple story shows our preschool hero resisting his father's efforts to get him ready for bed. By the end of the book Little Critter's understanding father has finally succeeded in moving his energetic, imaginative son through bathtime and pjamatime into sleeptime.

Puzzle Crafts

Directions: Print, laminate and cut out puzzle pieces. To assist child, you may want to print an additional page as a guide.

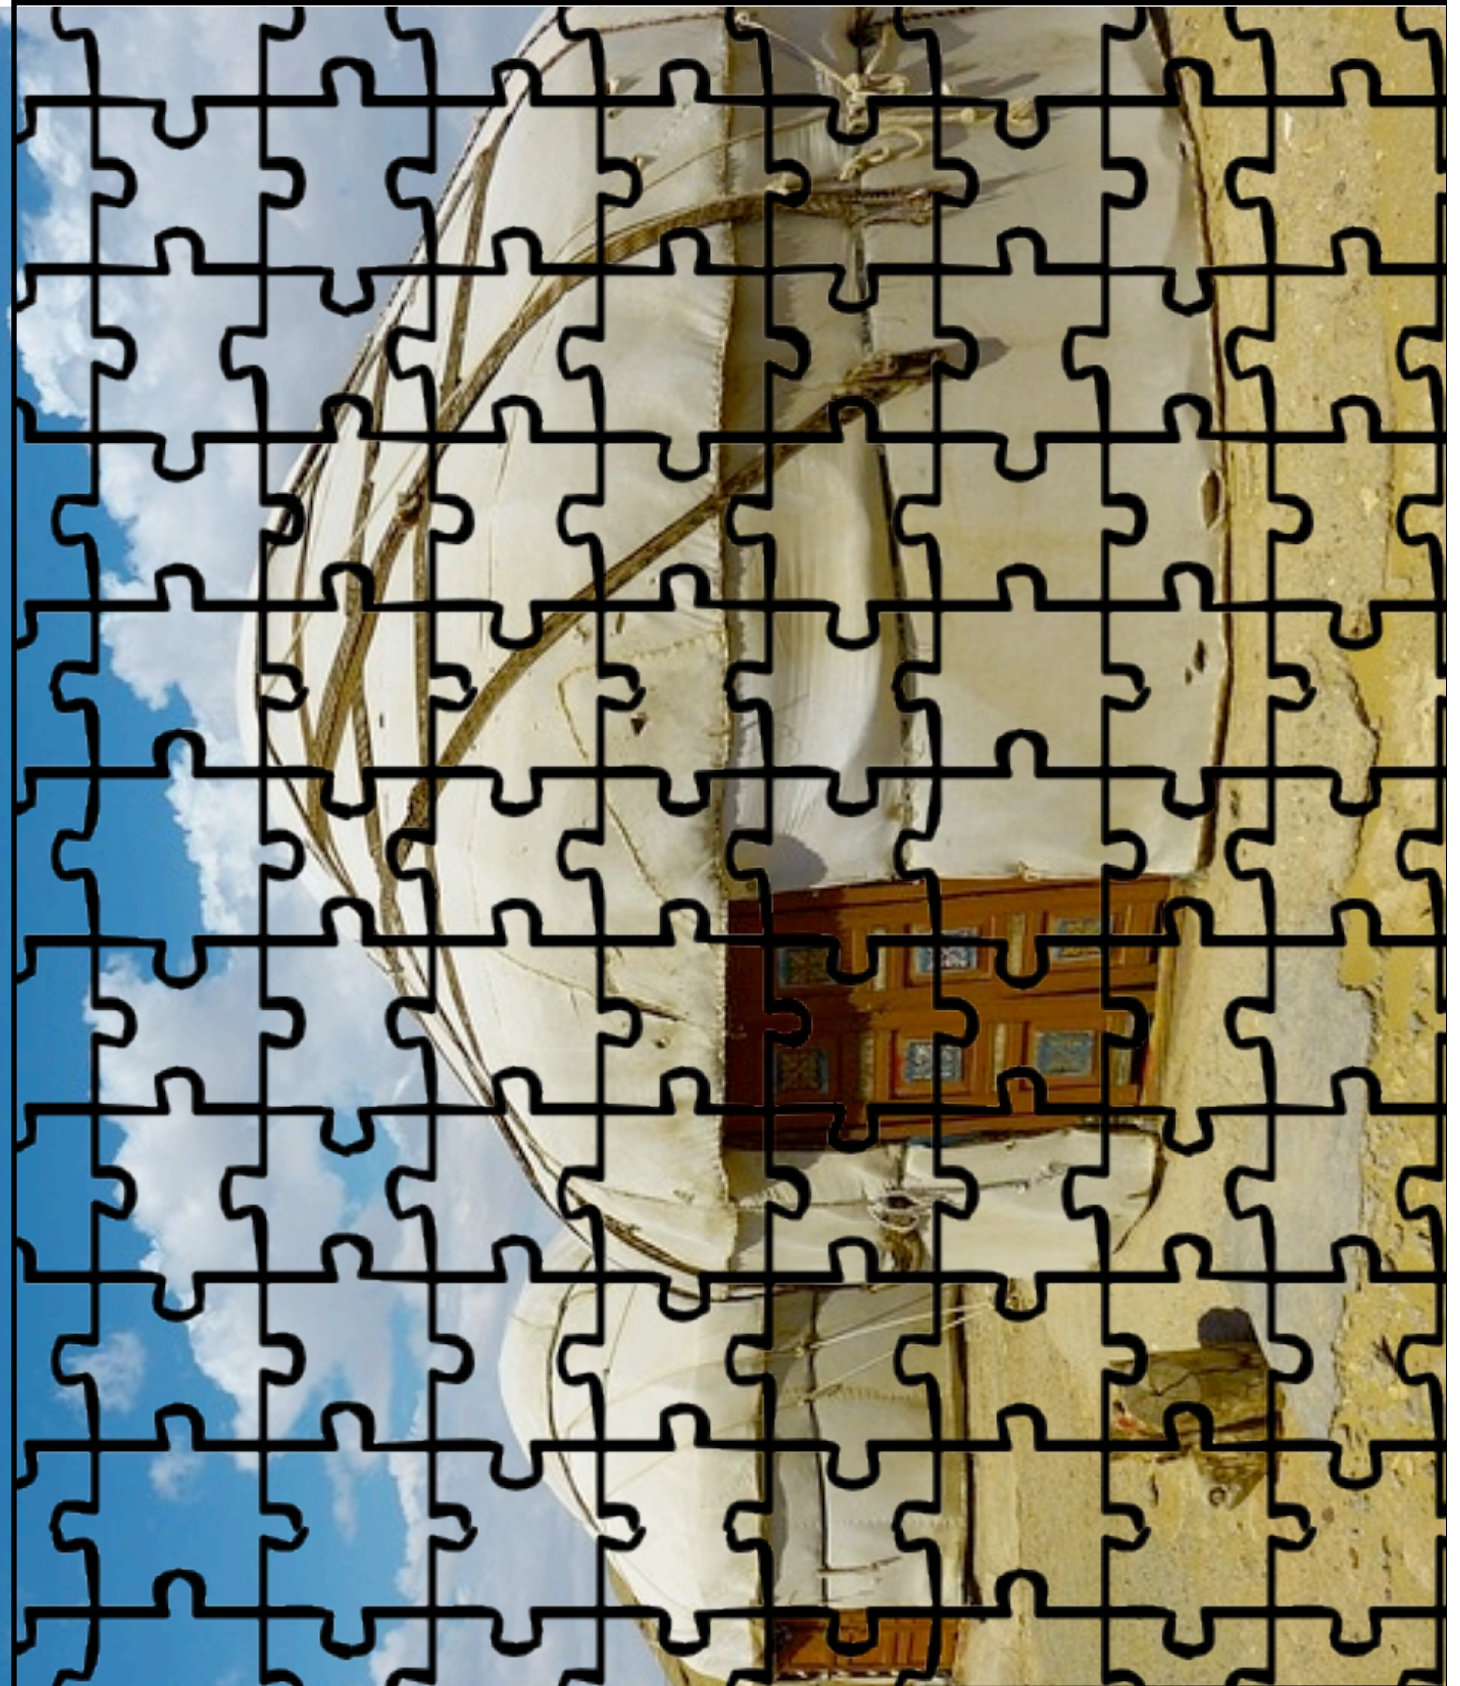

Activities: Grown-ups can help the child assemble the puzzles.

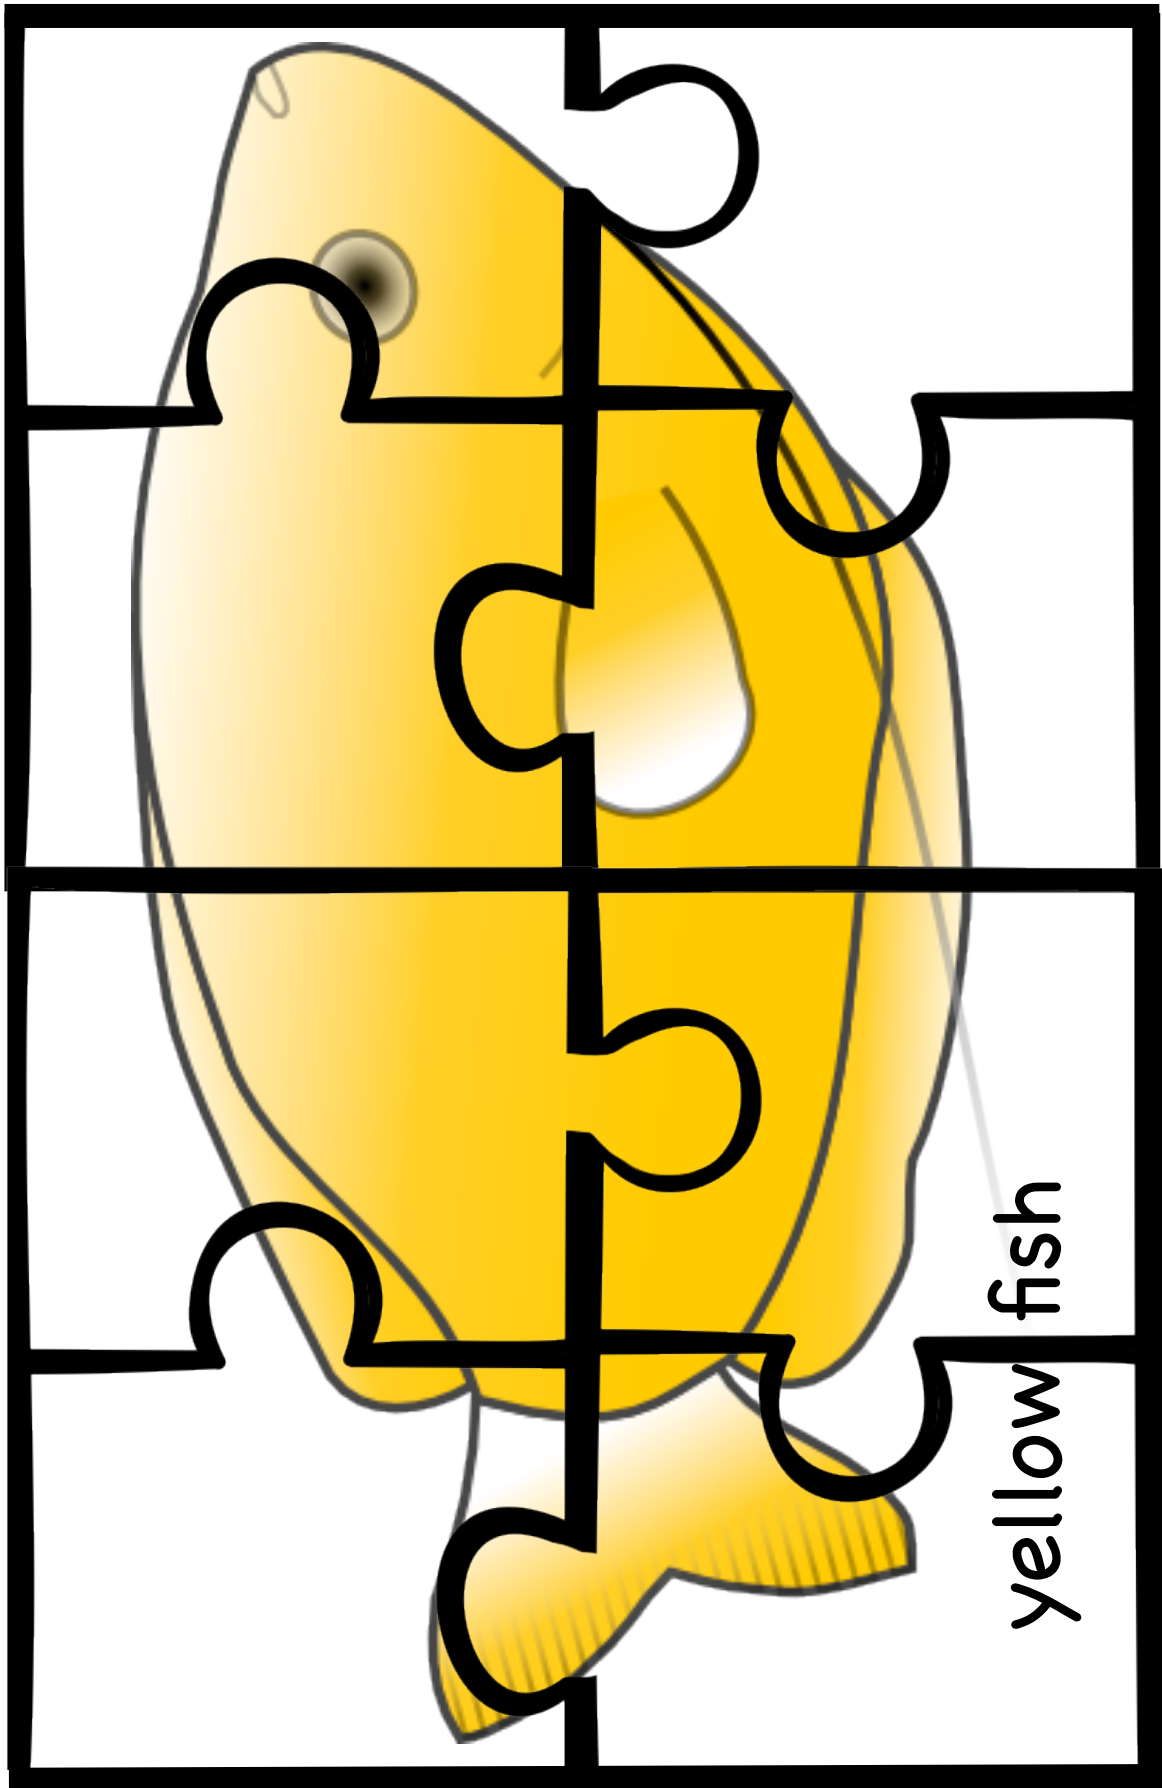

Talk about the colors you see. Help your child piece together like colors, patterns and more.

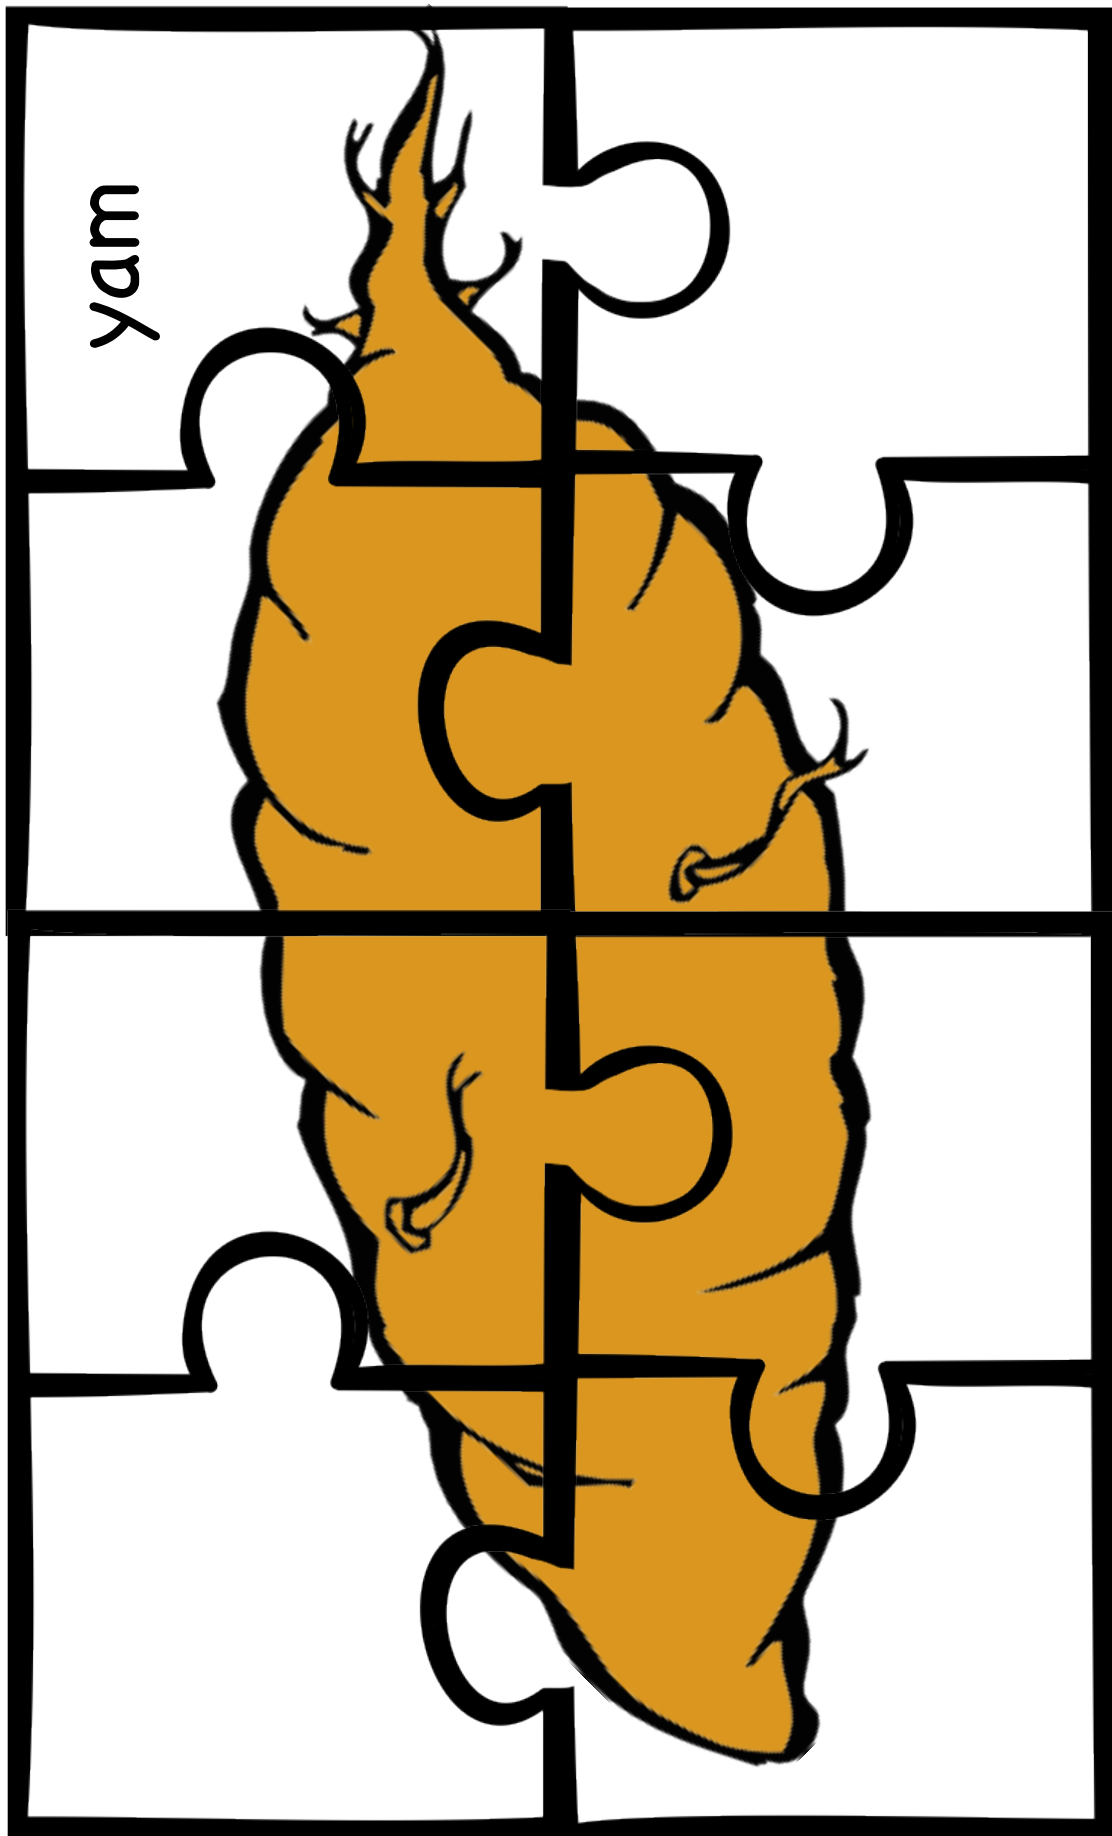

Have fun creating these puzzles with your little-one(s).

Special Note: The yurt puzzle is considerably more advanced. You may or may not be able to complete this puzzle with your child. Simpler puzzles are also included.

Yak Craft

Directions: This yak craft can be used to create a yak puppet or a puzzle.

Activities: Grown-ups can help the child assemble the puppet. There are two versions of the yak puppet. An “easy” to assemble puppet and a more “complex” version that requires more effort to cut, color, and glue to put together.

Use yarn, string, pom-poms or other “furry” embellishments for animal’s fur. You can add “google” eyes for the eyes. Use puffy paint, finger-paints, colored sand, or other art supplies to add texture.

You can use this puppet to tell stories or you can use it in song, such as “Old McDonald had a Farm.” The yak can be used as a teaching tool – tell your child about the sounds he makes, where he lives and what food he likes to eat.

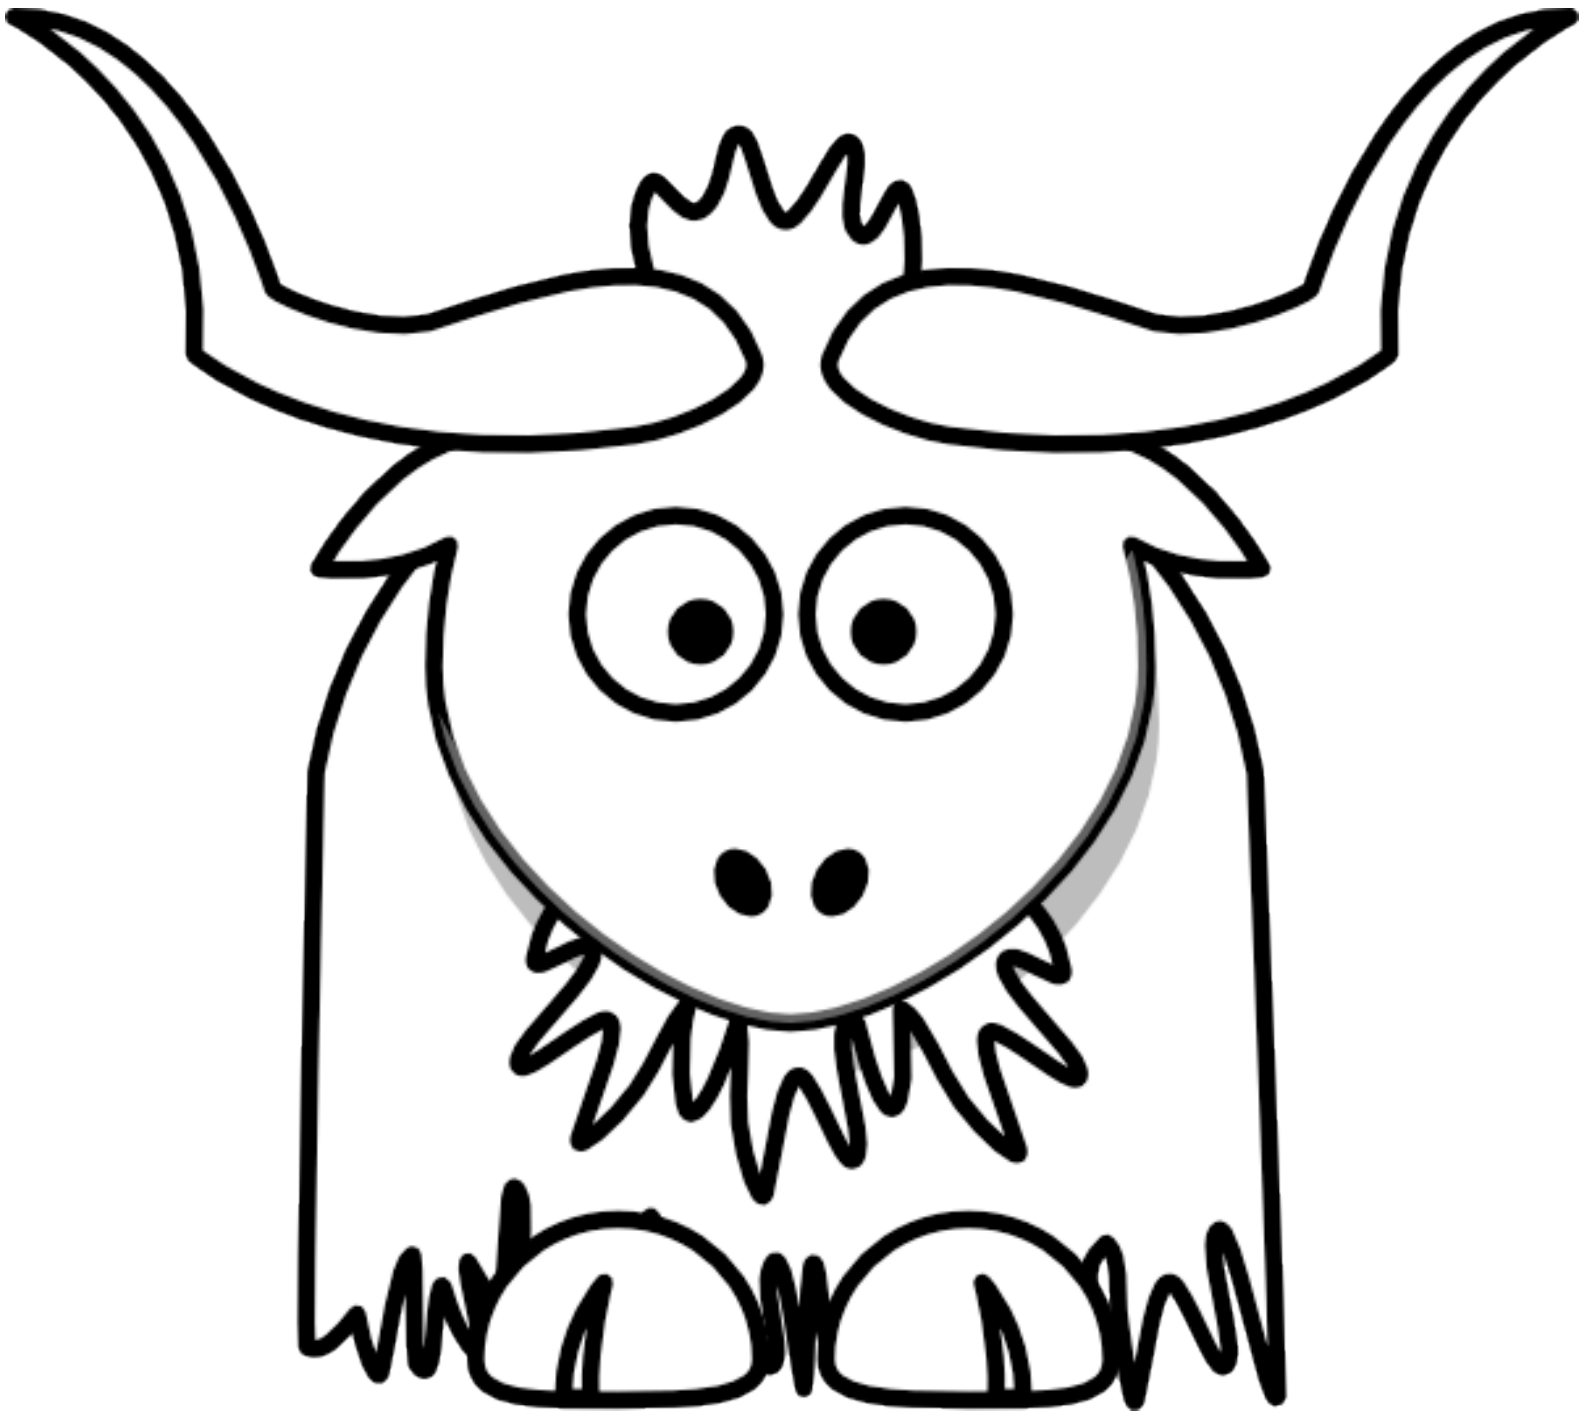

These puppet pieces are designed to be used with a standard brown bag lunch sack that measures 10 5/8 x 5 1/8 x 3 1/8 inches.

Have fun creating this yak storytelling puppet with your little-one(s).

Yak Craft

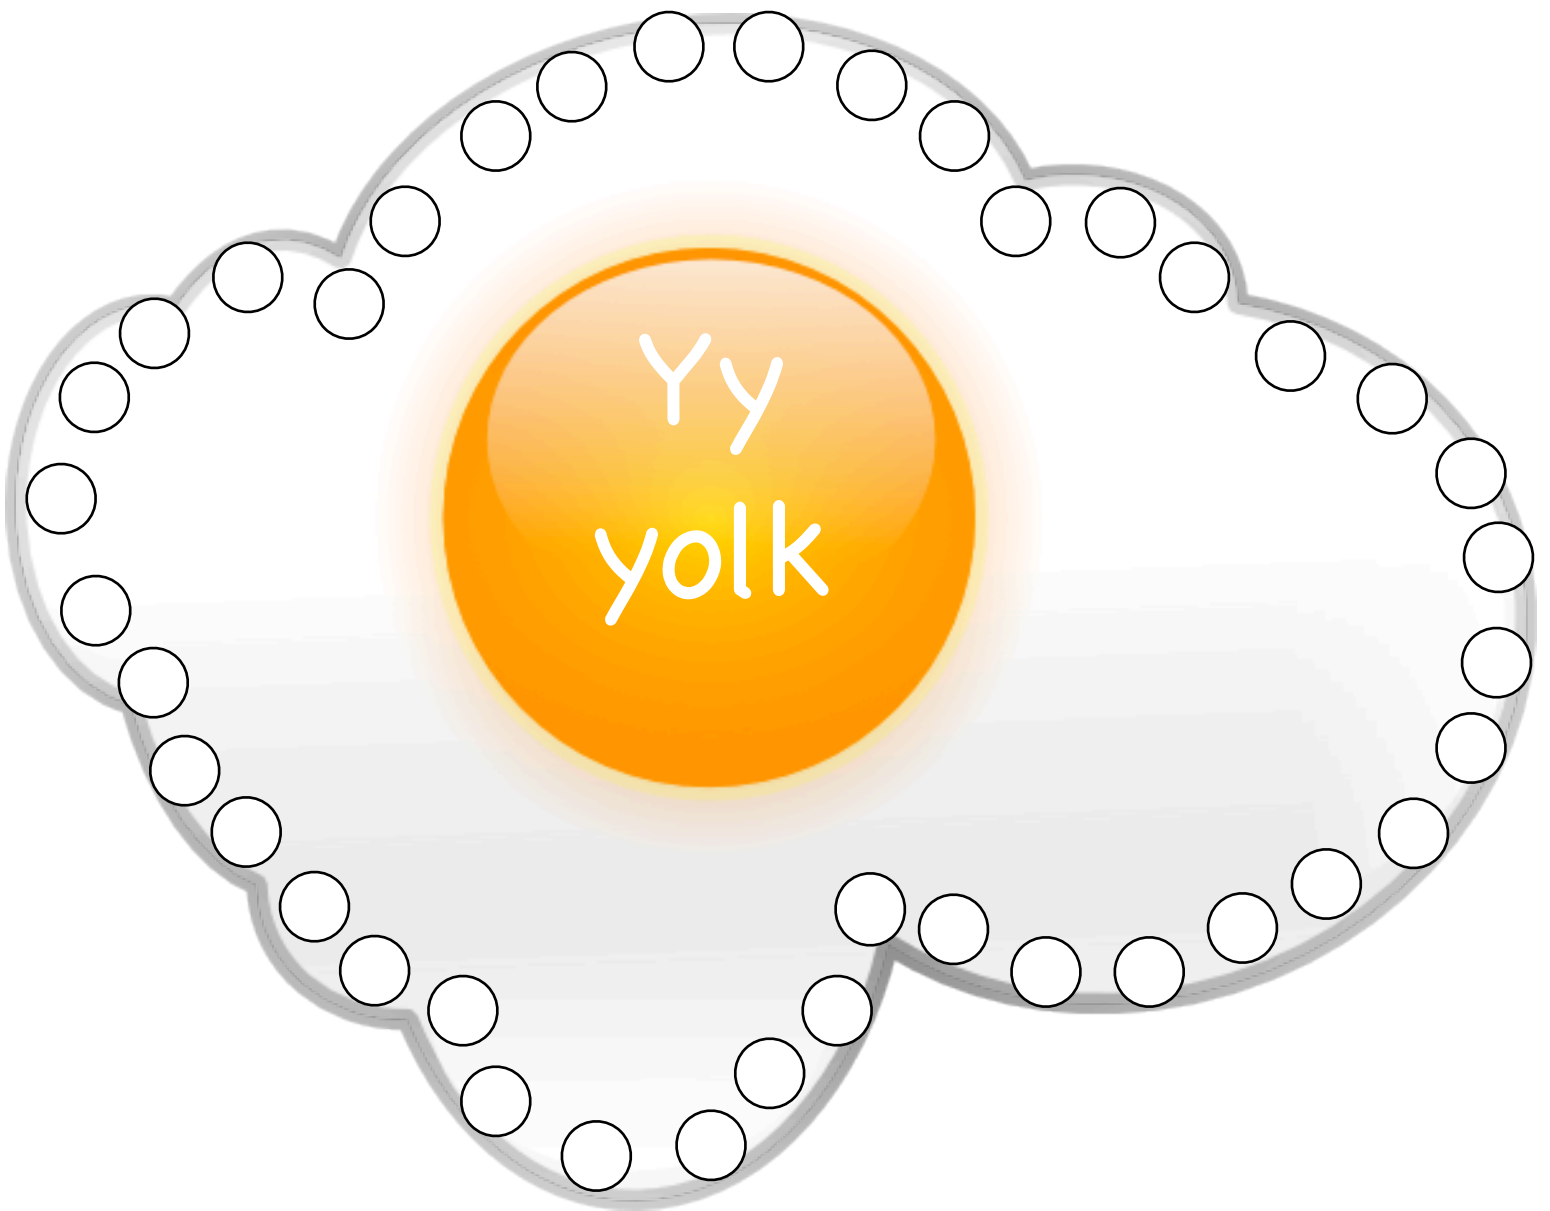

Easy to assemble version. Just cut into two parts – the head and the body. Paste the face/head onto the bottom of the brown paper sack so that when you move the “mouth” of the sack it looks as though the puppet is talking. Feel free to embellish as desired.

This version is more complex but allows you to challenge your child to piece together the parts of a puzzle. The adult or the child can cut out each piece from the previous page and then assemble the puppet. Once the face and body are assembled, glue the face onto the bottom of the brown paper sack so that when you move the “mouth” of the sack it looks as though the puppet is talking. Feel free to embellish as desired.

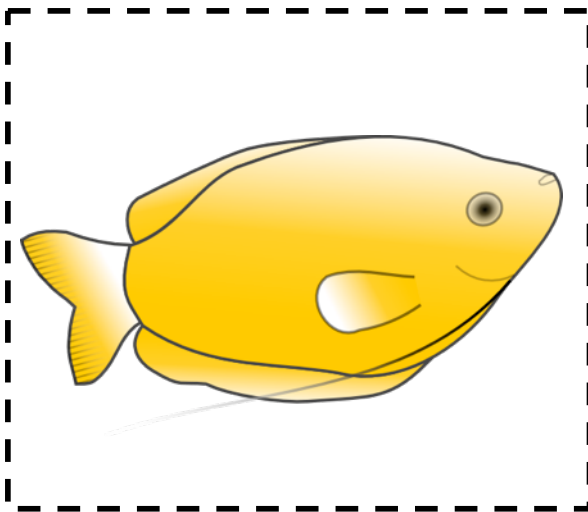

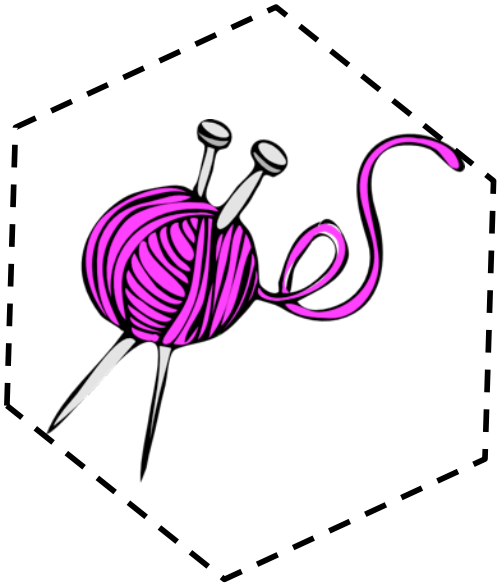

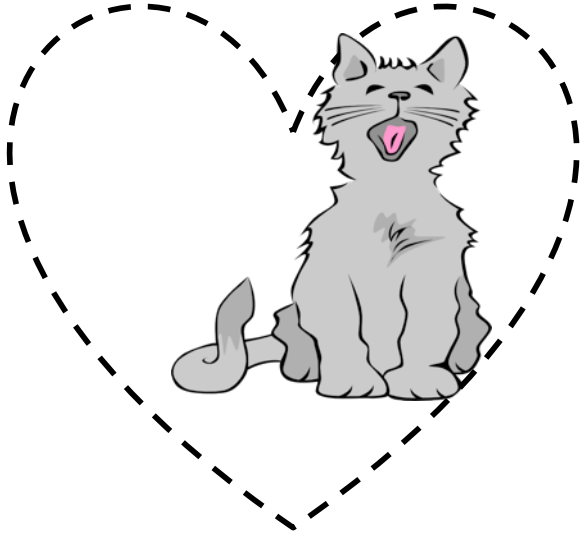

Yolk Lace-Up

Print, laminate and cut out the picture. Use a hole punch to punch holes into circles near the edge of the picture. The card can be used to practice lacing with a shoestring or piece of yarn.

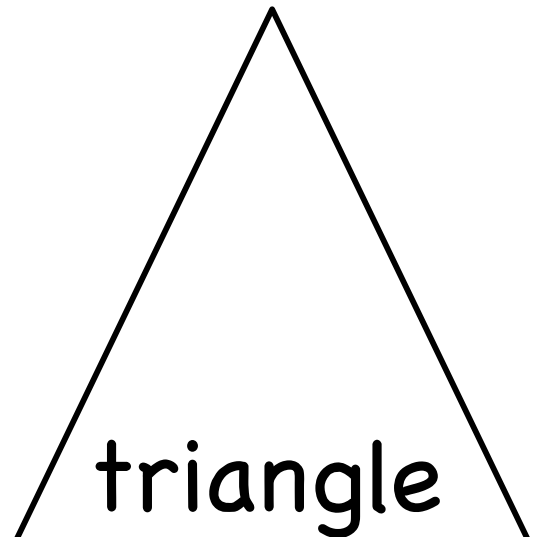

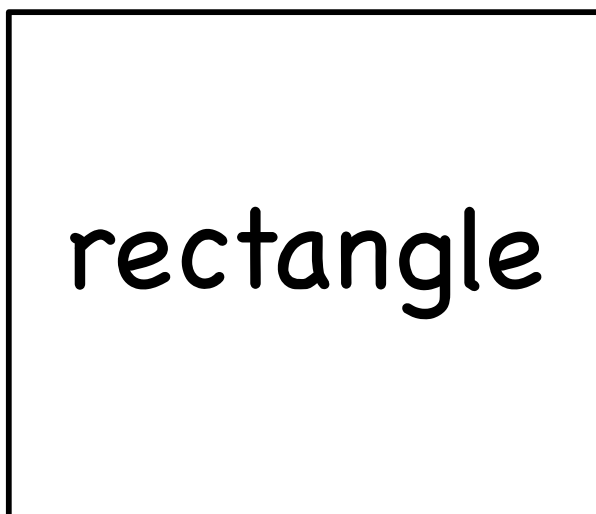

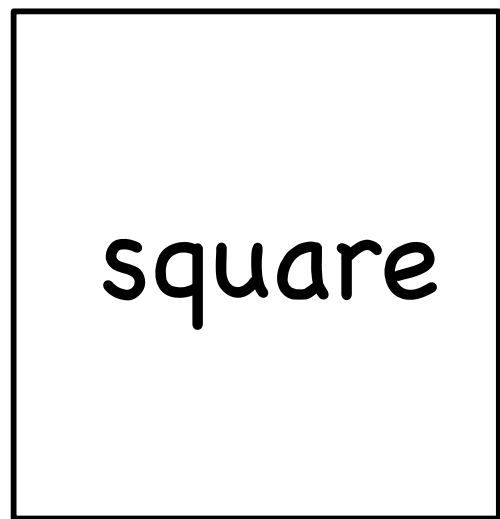

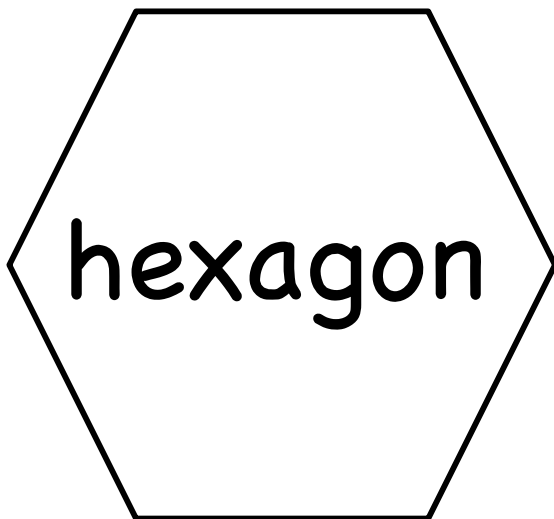

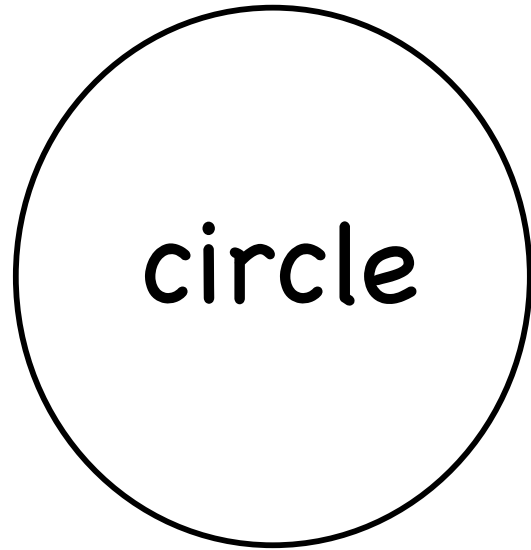

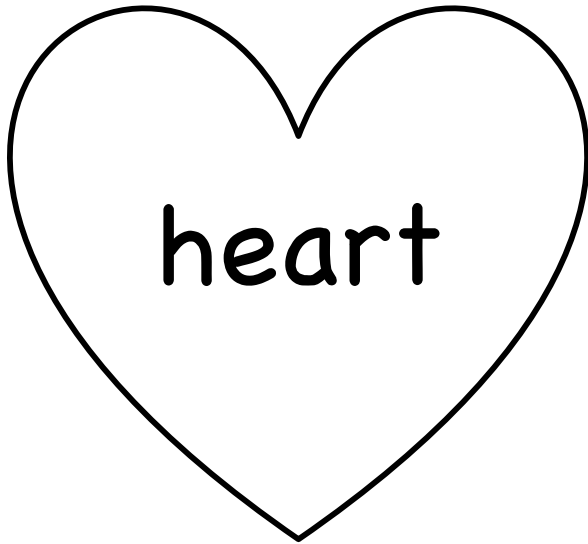

Cutting Practice

Grown-up: help child cut out along dotted line. Discuss shapes.

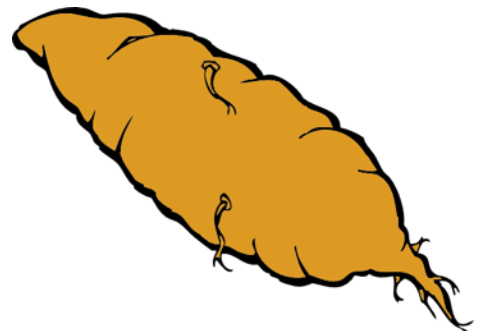

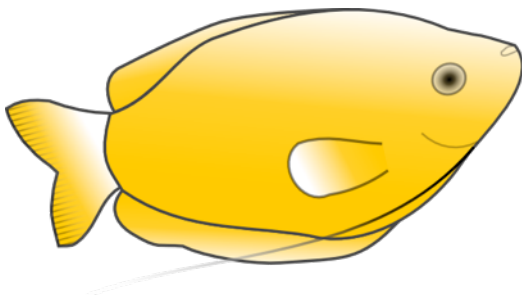

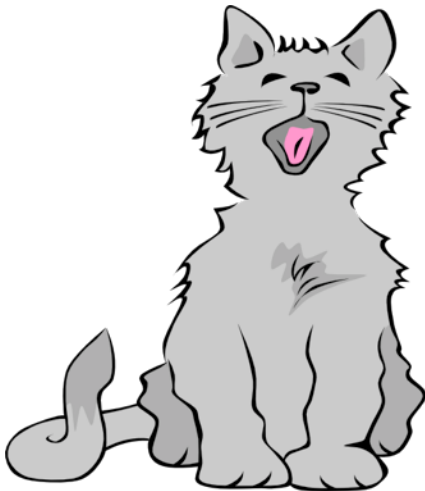

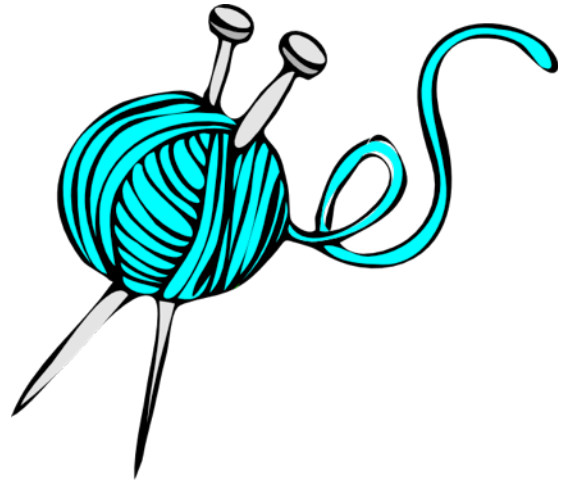

Cutting Practice

Point out qualities of various shapes. Cut out and align.

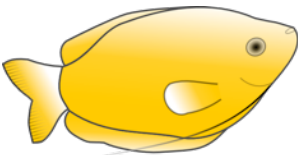

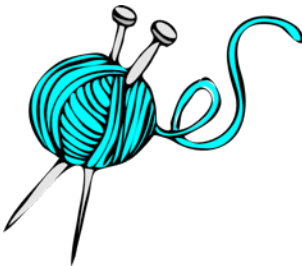

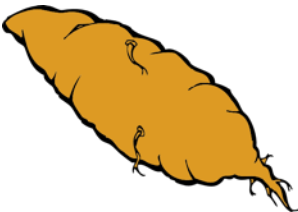

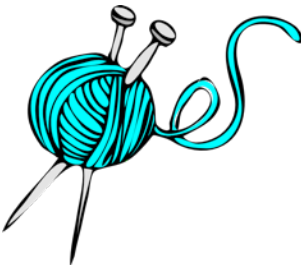

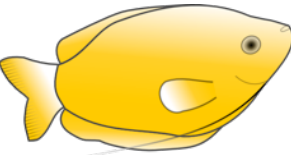

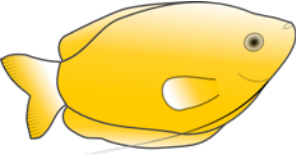

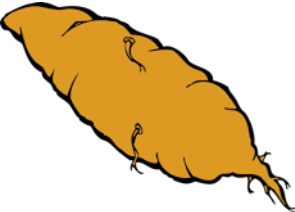

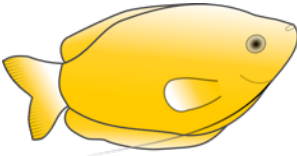

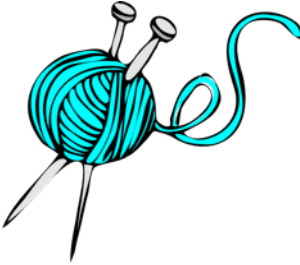

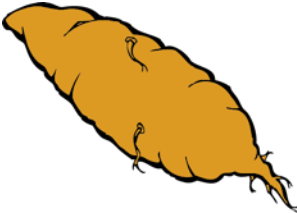

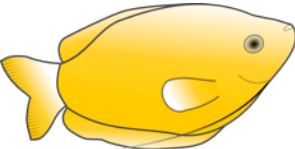

Which ones are living things?

Talk about the differences between living things and inanimate objects. Circle the living things.

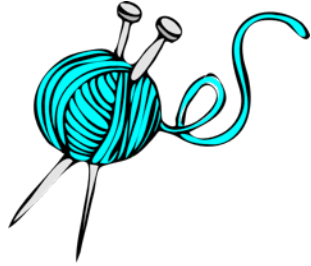

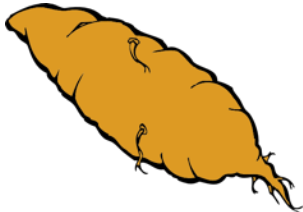

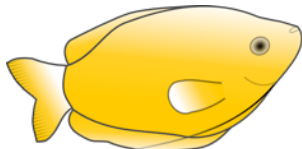

Cutting Practice

Parent: Cut at dark lines.
Have child cut along dotted lines.
